

RHOY and Welcome to Mrs. Haughey's Class

haugheyj@wrenthamschools.org

508-384-5430 ext. 3260

Please feel free to contact me at any time.

September Dates

9/13 Roderick Open House is from 6:30 to 7:30

9/14 Science Quiz

9/14 Camp Bournedale paperwork due

9/17 PTO Meeting Delaney Cafe

9/18 School Committee Meeting Roderick Library

9/27 Roderick Picture Day

Responsive Classroom We are off to a wonderful start in grade six. We are a responsive classroom, which means we are a community of learners who support and encourage each other. We start and end each day with a class meeting. Each morning we read a Morning Message, greet our classmates, and share something interesting about ourselves.

WISHLIST

GOOGLE CLASSROOM

Class Thoughts:

Don't wait for your ship to come in, row out and meet it.

Character is how you live your life when no one is looking.

PLANNER ALERT: you can access your child's google classroom. User name and password are inside the planner.

Please review your child's planner. We write our homework in it every day and we use the monthly calendar to keep us up-to-date.

Thank you Wrentham PTO

Please consider chaperoning for Camp Bournedale.

We need you. Thank you.

Curriculum Updates

Math

Eureka Math: We begin our school year by learning about Ratios & Unit Rates.

Science

We are learning about the cellular system and will study it in its natural environment at Camp Bournedale. Students are learning about investigating marine organisms and how they interact in their natural environment. We will investigate waves and matter. We understand simple machine design and apply it while building simple rockets.

HOMEWORK: In accordance with school policy, homework is given every night for a total of 60 minutes. Please let Miss Bracket or Mrs. Haughey know if it takes longer than that.
